Our Goal this Year

All proceeds from the Tournament will help with the purchase of a Hematology Analyzer for our Hospital Lab, which will cost \$57,400. Since 85% of all patient diagnoses are made through lab tests, our physicians rely heavily on blood analysis which is critical for the Emergency Department and In Patient care.

Tournament format is Team Scramble to accommodate the experienced and recreational golfer. No prior golf experience necessary! Come out, *have fun* and *feel good about supporting your Hospital!*

EVERYONE WELCOME!

This is a rain or shine, prepaid event.

Please return completed registration form and payment no later than **August 19th, 2011**. (**July 22nd is the deadline for early registration for past participants**).

*Post dated cheques for September 2nd, 2011 accepted.
